

The Garden Club of Georgia is encouraging Garden Clubs throughout the state to landscape Habitat for Humanity homes in their communities. Upon completion of such a project, the following form should be used to document the work. This will enable our state chairman to submit a report to National Garden Clubs, Inc.

GCG Habitat for Humanity Landscape Project Report Form

For projects completed between March 1, 2011 and March 15, 2012

District _____ Town _____ Completion Date _____

Please return report when project is completed, but no later than February 20, 2012.

Return form to: Lorraine Loftis
 952 Lullwater Road
 Atlanta 30307-1242
