

The Garden Club of Georgia is encouraging Garden Clubs throughout the state to landscape Habitat for Humanity homes in their communities. Upon completion of such a project, the following form should be used to document the work. This will enable our state chairman to submit a report to National Garden Clubs, Inc.

GCG Habitat for Humanity Landscape Project Report Form

For projects completed between March 1, 2017 and March 15, 2018

District _____ Town _____ Completion Date _____

Please return report when project is completed, but no later than February 20, 2018.

Return form to:	Marie Andrews 412 Dillon Road Thomasville GA 31757	Questions? 229-226-2039 / 229-221-0823 mariega@rose.net
