

November 1, 2017

Dear Garden Club President,

The Garden Club of Georgia, Inc. appreciates all that you and the members of your garden club do for your communities and our organization. Your dedication and hard work is what makes our organization so great. Your club's projects and programs, and the support of GCG's projects and programs as well as those of the Deep South Garden Clubs, Inc., and National Garden Clubs, Inc. ensures that we fulfill our mission of Beautification, Conservation, and Education.

Please take the time to complete this annual President's Report. You may need to take it to your next garden club meeting to ask your members to help with some of the questions. Completing this form and sending it to me, your District Director, and your Council President, if applicable, gives your club the opportunity to be recognized for what you do. It also helps your District Director and I compile our reports. The deadline date to submit this report is February 15.

Please keep in mind that you do not need to check every single item included in this report to receive a Standard of Excellence Certificate. Each club – large or small – contributes in its own unique ways. If you have questions about completing the form, please feel free to email or call me. Remember, this is an opportunity to achieve recognition for your club. And, it is also an opportunity to have what your club does to be included in the collective efforts of all the clubs in GCG.

Thank you for all your efforts and your many contributions. Let's continue to go forward together to PLANT AMERICA as we embrace Georgia's Heritage and continue to build Georgia's Legacy.

*Jane*
