Susan Turner reminds us the significance of Memorial Day

REMEMBERING OUR VETERANS WITH AN IMPRESSIVE BSM CEREMONY

The Village Green Garden Club members, Bryon, have worked on this project for three years; one step at a time. Brick flower beds were added and landscaped at both entrances. A four foot fence and a 30ft flag pole were installed with the help of the volunteer firemen of Byron. Grave sites were repaired and some streets were resurfaced while others were laid out and paved in the new section of the cemetery. The 19th century fences were painted black to match the black fence that surrounds the cemetery. The cemetery is owned by the City of Byron; however the Village Green Garden Club has maintained this cemetery since 1975. Dr. James Livingston, a local physician, provided the flags that blew in the wind showing off their bright colors and designs representing the different countries our soldiers were deployed.

Subscribing members played an important role in the Blue Star Marker Ceremony. GCG does benefit from having veterans and subscribing members. Think about including those in your community.

REMEMBER THIS WOULD BE AN
EXCELLENT FATHER'S DAY TRIBUTE.

CAROLINE SILCOX IN FULL BLOOM! All garden club members know that Caroline Silcox is a valuable asset to the GCG. Several GCG members had the pleasure of receiving a gift of the daylily named for Caroline as she completed her term as GCG President. Linda Ragland and Kathy Donahue have had success with the lily.
