Dear Garden Club President,

The Garden Club of Georgia, Inc. appreciates all that you and the members of your garden club do for our organization. Your dedication and work is what makes our organization great. Your projects, programs, and support of GCG's projects and programs, Deep South Region, and National Garden Clubs, Inc. ensures that we fulfill our mission of Beautification, Conservation, and Education.

Please take the time to complete it. You may need to take it to your next garden club meeting to ask your members to help with some of the questions. Completing this form and sending it to me, your District Director, and your Council President, if applicable, gives your club the opportunity to be recognized for your hard work. It also helps your District Director and I compile our reports. The deadline date is February 15. If you have questions about completing the form, feel free to email or call me. This is an opportunity to make your club shine.

As we begin a new calendar year, my wish for all of you is health, happiness and love while we sow seeds of knowledge and reap conservation with beauty.
