A MESSAGE from our Oleander Director, Hilda Rushing

It is my honor to serve as your District Director; I am looking forward to working with all clubs and members. A special welcome to each board member as we begin this new term of office.

We’re off to a great start!!

- The Officers Workshop with Sara Lanier at Belvedere Island hosted by Sprig and Dig Garden Club, Statesboro was well attended.
- The Awards Workshop with Jackie Fulmer hosted by Seedling and Glad Garden Clubs, Swainsboro was great with over fifty attending.
- We were honored to have our State President Martha Price with us at both workshops.
- The Executive Board and District Board Meeting was hosted by Bulloch Council of Garden Clubs in Statesboro.
- The Oleander District’s goal, to develop its own website, happened this summer!!!

It is ready for club and member use. The website is oleanderdistrictgcg.org. Plans are being made for the Fall District meeting to be held at Ebenezer Retreat Center, Rincon, on Tuesday, October 20, 2015. You will find the invitation and registration form in this Leaflets.

My theme for the next two years is “It’s our Earth – Let’s Make a Difference”. God has made us stewards of His earth but we have gotten complacent in our thoughts and actions. What can we do to take care of His creation? Recycle our trash so it will not end up making islands in our oceans! If each member of Oleander District resolved to “pull those tabs” for the Ronald McDonald house, and recycle those cans, as well as those plastics, glass, grocery bags, newspapers, etc. – what a difference it will make in our land fields! If you are not recycling, I challenge you to begin in order to beautify our communities, conserve our natural resources and educate our children and grand-children.

THE SOLUTION TO POLLUTION STARTS AT OUR OWN FRONT DOOR!

I encourage you to participate in your club projects, our State, Deep South Region and National projects. You will find these listed on our website, as well as, the GCG website. Together we can accomplish great things! Your District and State Chairman are ready to help you in any way.

Oleander is your district – let’s keep it the best District!
“Community on My Mind” is what Sea Oats Garden Club is all about. Our members have planted at several public locations: Marsh’s of Glynn Public Library, Karen’s House of Hope (a center for families to stay while patients are undergoing cancer treatment at Southeast Georgia Health Center), and Historic Public Squares in downtown Brunswick.

When we looked at the grounds of SHARE (Speech and Hearing Center located in the city of Brunswick and providing services to children and adults since 1965) it was in need of some TLC. We applied for and were awarded a “Community on My Mind” matching grant from GCGA to fund this landscaping project. The funding for this grant program was made possible by a generous donation from the Georgia Power Foundation. Sea Oats Garden Club earned their portion of the funds necessary by profits from the annual bazaar where they sell plants they have grown and hand-made crafts.

Coastal Landscape & Design worked with us in selecting and planting the appropriate plants to achieve an attractive design with low maintenance. The plantings included Flax Lilies, White Iris, Dwarf Gardenia, Bottle Brush and Hydrangeas with pine straw for mulch. This bed is located at the main entrance to welcome patients, guests and staff.

Pictured from left are Francene Roberson, Chairperson of Community Projects; Cheryl Ussery, Executive Director of SHARE; Carol Hodge, Immediate Past President; and Lynn Anderson, Co-Chair of Community Projects.
Sea Oats Garden Club
Education Committee, chaired by Camille Mraz and assisted by Sybil D’Amico, Diane Hardee, Sandy Hochwald and Gloria Zocchi presented a program introducing hydroponics to the children at the Brunswick Public Library. Eighty-five children were amazed that outdoor gardens were not needed to grow sunflowers and green beans but could be grown in water in jars or bottles on patios or porches.

Time to register for District meeting!!

Ronald isn’t picky...collect all tab types.

The Glennville Garden Club hosted the first “Sip and See,” Tea and fashion Show in hopes of creating an event for Mothers, Daughters and Grandmothers to come together for an afternoon to enjoy the company of one another. Each table was set in a different theme of eclectic tea sets and decorated with floral arrangements of all varieties. A beautiful gazebo was set with a table for two and served as a photo booth. A variety of teas including Sweet, Peach, hot or Lemonade were served. Event Chairperson, Phyllis Thompson, welcomed everyone to the event and introduced the club’s oldest living member, Mrs. Edythe Phillips who gracefully gave a blessing over the event and food that was prepared by Glennville Garden Club Members.

The excitement begins as guests are seated with plates of tasty treats to enjoy as they are entertained by local models showing off some of Glennville’s most popular boutique clothing and accessories. Event Co-Chair, Patricia Lee, announced as models showcased in runway fashion. Fashions were represented from Isabella James, Southern Elegance Boutique, Southern Twist and Courtney & Company. The children’s line Isabella James, by Lacy Parker was full of frills with an updated touch to classic styles and shown by adorable tiny models. Southern Elegance showcased a little something for everyone, including handsome little fells in your life. Miss Georgia Sweet Onion, Ms. Kayla Lee Tootle wowed us with friends and fashions for day and night from Southern Twist Boutique. Courtney & Company’s model brought a message that their shop is where you need to be for some serious ‘one stop shopping’ from head to toe.

Club President, Jana Thompson, closed the event and gave door prizes. Gail Rush donated a variety of handmade bracelets. Door prizes were provided by Watermelon Creek Vineyard, Phyllis Thompson and Gail Rush.

The Glennville Garden Club extends a very special thank you to those that took time to attend the event and to all of those who made it possible. We are very appreciative to those who donated their time and gifts including: Lacy Parker, Southern Elegance Boutique, Southern Twist Boutique, Courtney & Company, Watermelon Creek Vineyard, Gail Rush, Phyllis Thompson, Gail Rogers and Vivian Stephens.
The Springfield Garden Club completed their Beautification Project of landscaping the flower beds at the Judicial Complex in Springfield Georgia. Flags were placed in honor of Independence Day. (L-R) Beth Mosley - President; Gail Winsky - Vice President; Polly Tate - Secretary; and Betty Waller - Treasurer.

Mrs. Betty Dubberly was recently honored with a lifetime membership to The Glennville Garden Club for her many years of extraordinary service. Mrs. Betty first joined the club at the suggestion of her mother in law, Charter Member Mrs. Vera Dubberly, in the 60’s. She spent some time away from the club and its duties in order to raise her children, but came back to the club again in the 70’s and has since held several different positions including being President as well serving several terms as Secretary. This was just a small token of appreciation for Mrs. Betty to thank her for all the time that she has spent with the Garden Club and all of her hard work that she has done for the Organization. While being an asset to the club she also enjoyed eight years of teaching at Glennville High School, raised three wonderful children and has celebrated sixty years of marriage with her husband Mr. Dan Dubberly. When asked the most valuable part of her Garden Club experience over the years, Mrs. Betty shared that it is the friendships that she has gained with other members and the noble purpose of helping to beautify our community that has brought the most enjoyment to her.
The Jesup Garden Club hosted a Tea, Concert, and Art Exhibit at the Jesup Presbyterian Church. Twenty-two artists from Wayne County exhibited 120 paintings, photographs, and stained glass pieces of flowers, birds, and butterflies. After tea and refreshments, Greg Beck and Lisa Godwin performed a selection of Broadway songs for members from all five clubs in the Wayne County Garden Club Council, their guests, and the artists. The Jesup Garden Club plans to make this an annual event.

(Left) Jon Ann McCrary served tea from a tea set inherited from her mother, Mrs. T.S. Drennon, who was a Charter Member of the Jesup Garden Club.

(Right) Greg Beck and Lisa Godwin, performed a concert of Broadway songs for the concert.

(Below) A few of the art exhibits.
The Bulloch Council of Garden Clubs honored their city workers with a brunch hosted at the home of Mrs. Hilda Rushing. Workers were awarded certificates and gift cards. (Back: L-R) Sammy Cone, Jackie Mosely, Fernando Hobbs, Jed Minick, Eugene Smith and Robert Marshall. Also attending were (Front: L-R) Frank Park City Manager, Robert Seamans, Streets and Parks Superintendent; Jason Boyles; Public Works Sr. Engineer and Robert Cheshire, City Engineer.
The Bulloch Council of Garden Clubs held a standard flower show at the Statesboro Visitors' Center. Cissy Mercer's spatial thrust won the blue ribbon and the Tri-color award.

Author Janisse Ray was the guest speaker at the Annual Joint Luncheon of the Bulloch Council of Garden Clubs at Forest Heights Country Club.

Participants at the Annual Joint Luncheon of Bulloch Council of Garden Clubs at Forest Heights Country Club sponsored by Spade and Trowel Garden Club.
Spade & Trowel Garden Club sponsored the annual joint luncheon where Janisse Ray spoke.

The Bulloch Council of Garden Clubs sponsored (l-r) Thomas Ponder and Grant Greene the Wild and Wonderful Experience at the Charlie Elliott Wildlife Center in Mansfield, GA.

The Statesboro Boys and Girls Club winners of the poster contest were awarded prize money by Smokey himself. The contest was sponsored by Spade and Trowel Garden Club.

Oleander Board needs a chairman for the Children’s Garden project. This chairmanship is a newly created position to help develop an awareness for GCG Children's Garden which is located at the State Botanical Garden in Athens. For children young and old everywhere, it is operating under the realization that today's children are better connected to a virtual world of technology than to the natural world. This garden reaches out to hundreds of children and teachers with the message of environmental stewardship. It features a giant colorful map of Georgia introducing families and school groups to the geography, culture, ecology, and natural history of our state. Helping children acquire a love of nature and deep understanding of our natural world can assure the future of our earth. If anyone is interested in chairing this project, please contact Hilda Rushing, Oleander District Director, at 912-489-1164 or rushighl@hotmail.com.

Oleander Leaflets still needs a few officer & board member blurbs & pictures for the Leaflets Special Edition which is coming soon!! If you haven’t sent yours, please send ASAP!! Don’t get left out!!

Course III: September 27-29, 2016
Course IV: March 28-30, 2017
(Registration form on next page.)

Fee: Each Course: $125.00

Venue: Bellmere Garden House
10777 Bell Road
Johns Creek, GA 30097

Registration Deadline for Course I is
September 14, 2015
(Registration limited to 30 students)

Registration form on next page.

In memory of former GCG President Suzanne Wheeler, North Georgia Council of Flower Show Judges is sponsoring a Flower Show School to be held at Bellmere Garden House in Johns Creek. Come and join us September 28-30, 2015 for Course I. Learn the “ins and outs” of flower shows and how to create and judge award-winning designs.

Georgia’s own, Fay Brassie, NGC Flower Show School Instructor, will exhibit and discuss traditional mass, line, line/mass and still life designs. If your focus is on horticulture, then you’ll want to come and hear Darlene Newell, NGC Flower Show School Instructor from West Virginia, talk about chrysanthemums, succulents and cacti, and how to grow, show and judge them.

Flower Show School is not only for prospective flower show exhibitors and judges, but also for all garden club members and all persons interested in flower design and horticulture. While the primary purpose of these courses is to train those aspiring to become flower show judges, many people attend for information only.

Each of the four courses, offered approximately every six months, includes Horticulture curriculum, Design instruction and Flower Show Procedure. The cost for each course is $125.00. For further information, contact Joy Zaidan, GCG Flower Show Schools Chairman at jzaidan@bellsouth.net or 770-493-8475.
