

Printing Instructions

Pathways to Successful Leadership

The **BOOKLET STYLE** PDF will print on both sides if you have a duplexing printer. This PDF will print a booklet you can fold and staple. If you don't have a printer equipped with settings to print on both sides, you can print pages individually and flip them over to print on the back. You'll do this with 5 pages. Below are the pages that correspond if you want to do it.

Page 1 has page 2 on the back

Page 3 has page 4 on the back

Page 5 has page 6 on the back

Page 7 has page 8 on the back

Page 9 has page 10 on the back

The **SINGLE PAGE** PDF will print each page – 19 in all to staple together. This is an option if you don't have a printer that's able to print on both sides or you don't want to bother printing one page at a time!
