

PENNY PINES PROGRAM

Your Garden Club can participate in a meaningful and practical conservation project by contributing \$68.00 to a Penny Pine plantation as part of the costs of replanting replacement trees indigenous to a particular damaged area, (Not Just Pine Trees). You may designate a specific State you wish to have benefit from this contribution. – GEORGIA, of course!!!!

Please include this project in your club’s budget for 2016-2017.

Under a Conservation agreement, the Forest Service will do the planting, using your donation together with Federal funds. **Thanks to our clubs’ generous contributions in 2015-16, we were able to donate over \$3000 to the Forest Service for our Chattahoochee & Oconee National Forests. HURRAY!!!!**

For each \$68.00 contribution, you will receive a Penny Pines Certificate from National Garden Clubs, Inc. made "In Honor of: _____" or "In Memory of: _____" a special someone who you wish to honor. (*Certificates will be issued according to information listed on the form below*).

GCG is making a concerted effort to raise more money for the Penny Pines Program during this term. Your donations are greatly appreciated and will benefit the Chattahoochee-Oconee National Forests in our state. Your club also gets credit for participation [see the annual President’s Report of Garden Club Achievements.]

Contributions should be for a minimum of \$68.00 (or multiples thereof) -
