

## Calling all Campers – Wild & Wonderful Experience

Once again we are looking forward to a wonderful experience for our 5th and 6th graders! As we plan for our **10th** annual **GCG Wild & Wonderful Experience**, we are thankful to the Azalea District for your continuous support of a **Wild & Wonderful Experience** and hope you will continue to share this mission with children in your lives. Our next date is **July 9-11, 2017** with registration deadline of **June 1**. So mark your calendar and we'll see you at camp!
